Certificate of conformity of the factory production control

1301 – CPR – 1042

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Steel structural components for load-bearing structures of halls HUPRO

executed according to EN 1090-2+A1, intended as load-bearing structures for the construction of self-supporting steel halls for the civil and industrial development.

The manufacturer produces steel structural components and steelwork pursuant to the requirements of EN 1090-2+A1 in execution class EXC1 and EXC2.

The factory production control is in accordance with EN 1090-1+A1 and includes manufacturing of the components including cutting, forming and holing of base material (excluding welding),

Produced by manufacturer

HUPRO PRODUCTION SE
Štrková 971/10E, 010 01 Žilina
Slovak Republic

and produced in the manufacturing plant

HUPRO PRODUCTION SE
Štrková 971/10E, 010 01 Žilina

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA3.3 of the standard

EN 1090-1: 2009+A1: 2011

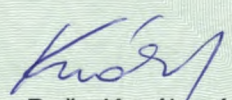

under system 2+ for the performances set out in this certificate are applied and that

the factory production control fulfils all the prescribed requirements for these performances.

This certificate was first issued on 4 February 2015 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.

Bratislava, 4 February 2015
